

Massachusetts League  
of Community Health Centers

Dear Friend of Community Health:

The Massachusetts League of Community Health Centers will be hosting this year's annual awards gala, on Friday, June 1, 2018, 6:00 p.m. to 11:00 p.m. at the Westin Copley Place in Boston, and we are inviting you to be a sponsor.

Forty-six years ago, the League was established as a loose affiliation of Boston health centers and has grown to become the statewide association representing and serving the needs of the state's 50 community health centers that serve some 988,000 state residents through more than 300 sites.

The League's annual gala has become a highlight of the year for community health centers and was developed as a way of recognizing the work and mission of community health centers by honoring our colleagues who render outstanding service to our patients and communities. Attendance for this event is expected to reach 600 and constitutes the largest gathering of the Massachusetts health center community each year. This year's gala – **Common Thread** – highlights the honorees, all who are essential to the *underpinning* of our community health center *fabric*. All are the *common threads* that *bind* us together as a health center community.

Sponsorship of this annual celebration provides an important means for your organization to participate in an event recognizing the work of the League and our members. Proceeds for this event will support the League's workforce development initiatives for all levels of community health center employees.

Attached please find our sponsorship package for your consideration. Please contact me if you have any questions regarding this information or about the event itself.

We thank you for your consideration of our request and hope that you will support us.

Sincerely,

Cheryl Shaughnessy  
Vice President, Membership Services
