Friday, June 7, 2019

Every year, the Massachusetts League of Community Health Centers recognizes individuals for their personal achievements and their outstanding service to the communities and to the community health center network. This year we will be recognizing the following individuals:

TONI MCGUIRE, RN, MPH, Edward M. Kennedy Community Health Center

will receive the League's most prestigious honor, the *Edward M. Kennedy Founder Award* which was established in 2010 in reverence to the late United States Senator, and is presented in honor of the achievements made by dedicated consumers, administrators, clinicians and leaders who continue to protect and promote health care access as a right for all rather than a privilege for a few.

LINDA KELLY, Manet Community Health Center

will receive the *Joseph M. Smith Board Member Award* which was established in honor of the late Joseph M. Smith who served on the League's Board of Directors and was an avid supporter of the community health center movement in Boston.
