

The Great Outdoors Gala

Massachusetts League of Community Health Centers
Annual Awards Celebration

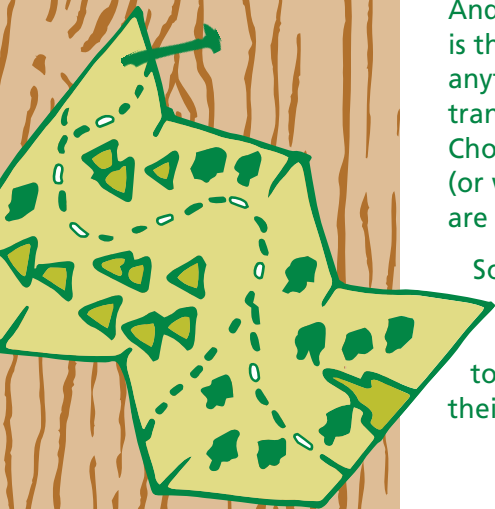

This year we're going green,
going wild, and going into the woods
for our annual gala celebration.

No knot tying skills are required. You
will not be tested by the elements or the
wildlife. Flannel is optional. All you need do
is unplug, unwind and let nature be your guide.

And our awardees? Well, community health center work
is the survival test that has already prepared them for
anything. They are the carriers of the compass, the
translators of the trail map, the pals with the pup tent.
Chopping wood and building a fire is a walk in the park
(or woods) for them. They are forces of nature, and we
are happy campers for it.

So join us where fresh air, tall pines and simple
pleasures await as we share an evening under the
stars and by the fire. We've got some great stories
to tell. True stories of folks who have been forging
their own trails for all our benefit.

friday
6/7/19
