

# Career Pathways Certificate and Training Program

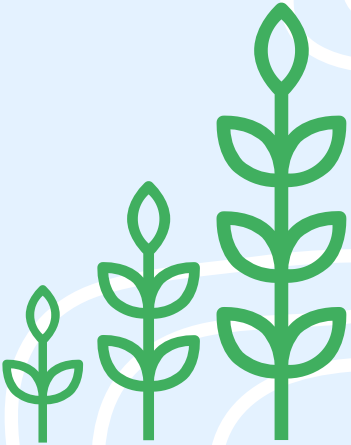

Formerly the MA DA Program

Massachusetts League  
of Community Health Centers

## Program Description

The **Massachusetts League of Community Health Centers** is launching a Certification Program aimed at **training and developing** employees to become Medical Assistants (MAs), Dental Assistants (DAs) and or to obtain other relevant training and certification to support career pathways within Community Health Centers (CHC).

## Mission

Increase the number of MAs, DAs, and other certified employees in relevant areas at **YOUR** Health Center!

This initiative establishes **clear career pathways**, enabling existing talent to acquire specific skills needed for transitioning into **critical roles**

## Certification Offerings

- ✦ Medical Assistant
- ✦ Phlebotomy Technician
- ✦ Dental Assistant
- ✦ Community Health Worker
- ✦ Pharmacy Technician
- ✦ IT Support Specialist
- ✦ Customer Service Representative

AND MORE!
