

The MA Psychiatric Mental Health Nurse Practitioner Fellowship

A Fellowship to recruit, educate, and retain PMHNPs at community health centers

Grant Opportunity

Funded through the Executive Office of Health and Human Services (EOHHS), this is a fellowship opportunity for recent PMHNP graduates, recently hired PMHNPs, and student nurses enrolled in a PMHNP program.

Graduate Fellows will be under a 12-month service commitment and student Fellows will be under a semester-long placement with an option to stay for additional semesters, with approval as needed.

CHC Eligibility

All MA FQHCs, hospital-licensed, and FQHC look-alike health centers are eligible to apply. CHCs that serve diverse communities, or are in a federally designated Health Professional Shortage Area or a Mental Health Professional Shortage area are strongly encouraged to apply

Intent of the Fellowship

The PMHNP Fellowship Program aims to recruit and retain well-qualified and diverse practicing level (graduates) and student-level PMHNPs to care for the behavioral health needs of populations served by Massachusetts' CHCs.

Award Amounts

PMHNP graduate salary and fringe support	Up to \$140,250/year for each PMHNP graduate
PMHNP Student Stipend	Up to \$2,500 per semester
