THE CRITICAL NATURE OF ORGANIZATIONAL CULTURE

Managers and supervisors at Community Health Centers have the opportunity to significantly influence their health center's culture, and by extension, the organization's success. In this session led by Mass League's Director of Workforce Programs, Janice Brathwaite, we begin by defining organizational culture and move deeper to discuss its significance and impact. We explore tools you can use to assess your current culture and ways to begin the important process of honoring the past and developing a plan for positive change in your department and organization as you move forward toward the future.
